

DR. C. H. PARRISH, D.D., F. of R. G. S. TO SPEAK AT ST. PAUL

Distinguished Divine and Wealthy Citizen of Louisville, Ky.

Companion of Dr. W. Sampson Brooks on
Cruise To Holy Land will Assist in Book
Review Celebration Friday Night

This distinguished divine of the Baptist Church of Kentucky is to be present Friday evening, April 23, at 8 o'clock at St. Paul to take part in the great celebration of "The Footprints of a Black Man" by Dr. C. H. Parrish, D.D., F. R. G. S., Moderator over 90,000 colored Baptists in Kentucky, and is an official of the National Baptist Convention, comprising two and one-half million Baptists. He has filled every important position in this denomination in the state of Kentucky, having pastored continuously for twenty-nine years. He has traveled extensively, visiting every state in the union, and is mentioned by the author of "Footprints of a Black Man" in numerous instances. His biography, his prayer in the Temple of Diana at Ephesus, where the delegates held service; his picture, breast deep in the Jordan, an interesting feature of Dr. Brooks' book. In 1905 he was sent by the National Baptist Convention to the Baptist World Congress in London. He preached in Spurgeon's Temple in E. London, spoke in Exeter Hall, having two newspaper columns in the London Times, and has traveled in Germany in the interest of missions. Dr. Parrish is highly regarded and has been signally honored by the citizens of Louisville, having been appointed by the mayor and governor as a representative in educational, sociological and sanitary bodies.

Dr. Parrish is organizer and superintendent of the Kentucky Home Society for Colored Children, which receives a yearly appropriation of \$10,000 from the state. He was president twenty-four years of Eclat-Norton Institute and united it with Old Berea, thus forming Lincoln Institute at Lincoln Ridge, Ky., which has since recently donated \$200,000. This program will present to the public a brilliant trio of representative race men: Bishop H. B. Parks, D. D., master of ceremonies; Dr. C. H. Parrish, and Rev. Frank L. Williams, A. M., principal of Summer High School, who will read the book, "Footprints of a Black Man" to the Holy Land. A unique feature of the program will be the processional entry in the church of all its officers and auxiliary bodies in the following routine:

1. Reception Committee.
2. Junior Ushers.
3. Stewards Board No. 1.
4. Trustees.

FIRST BAPTIST CHURCH

The audience last Sunday was made up largely of members from sister churches to hear the Easter musical program, which was repeated for their benefit. The visitors crowded the auditorium to standing room and were rewarded with a most beautiful rendition of the several pieces composed by Rev. Martyn himself and presented under his direction, with him at the organ. As the treat, however, was the sermon delivered by Dr. Martyn. An eloquent word-picture of judgment day will ever be remembered by those who were fortunate enough to hear it. Dr. Martyn is spending the week in Chicago with his wife, who is visiting there, but will return in time to fill his pulpit Sunday.

In the story of his travels to the Holy Land, entitled "Footprints of a Black Man" the author, Dr. W. Sampson Brooks, has given a very graphic and glowing account of familiar Bible scenes, and has brought to the mental vision of the reader a picture of Palestine, its famous towns, mountains, rivers, and lakes, the peculiar costume of the people which prevail today in many instances as in patriarchal days.

Dr. Brooks made the cruise in March, 1904, as one of 800 delegates to the World's Fourth Sunday-school Convention at Jerusalem. Stops were made at Madeira, Athens, Gibraltar, Malta, Algiers, Constantinople and Beirut. Especially vivid is the description of the memorable island of Malta, where his Apostle Paul was shipwrecked and where later flourished the famous order of the Crusaders known as the Knights of St. John and the Knights of Malta. Constantinople, the ancient city, the custom of the Mohammedans, the famous mosque, St. Sophia, making an intensely interesting chapter in Moslem life and religion. The history of the city of Athens is vividly and the life of Patmos, Smyrna and Ephesus, and the missionary endeavors at Beirut pointed out and described. Sailing down the Mediterranean sea to Haifa, the overland route is followed to the Sea of Galilee, across the Plain of Caesarea, Nazareth, the final goal of the tour.

The Holy Land, its famous sites and environs, are featured, and one has

a clear vision of a real town, a real Christ, a real Calvary, whereas before his idea was vague and abstract, and represented to him a mythical or phantom city instead of the town of "Jesus, Nazareth," located by famous walls and towers and entered still through its famous Damascus and Joppa Gates by a living stream of motley humanity in the guise of tourists, merchants, tradesmen, pilgrims, and worshippers. The story is well illustrated by pictures of famous sites and scenes, many of them showing the author and his companion on their journey. Egypt is visited, Cairo and Alexandria are described, as also are the famous Egyptian Pyramids and Egyptian life.

As a fitting climax to this journey, Rome, the "Eternal City," is visited. Here the author was received in the Vatican by his Holiness, Pope Pius X. Much interest will be aroused in the accounts of St. Peter and other famous edifices, in this, the most interesting city in the world. "Footprints of a Black Man" will prove a valuable book to Bible students, to scholars, to missionaries, and to every man, woman and child who is interested in Oriental ideas and customs.

This book is unique and attractive because it is the account of a Negro who has enjoyed the rare privilege of visiting the Holy Land and seeing with his own eyes the land of Jesus' birth, life, ministry, crucifixion and glorious resurrection. He has traversed the same paths the Master trod, reached by the same land marks, tasted the waters of the springs from which the Master drank, and admired the same sunny fields, hills, cities, picturesque valleys and hills he loved. He has followed the trail of Moses, Joshua and Elijah and he feels that the public will appreciate the story of an American Negro's experience in the land of Palestine, and will derive much pleasure, entertainment and information from this absorbing description.

THE BOOK

"Footprints of a Black Man"

is bound in silk vellum with title and design for book cover in gold. It contains over 60 illustrations, more than 300 pages, and is printed in unusually large and clear type. The price is \$1.50. Postage Extra.

Brother Chas. Jenkins, one of our loyal class leaders, expects his class to be the banner class next month. Watch him.

The home of Mr. and Mrs. Henry Mosley, 4448 St. Ferdinand, was entered last week by a daylight burglar who took a suit of clothes belonging to Mr. Mosley and silverware and other valuable articles of Mrs. Mosley's. No clew has been found as to the intruder.

A celebration of the Review of the "Footprints of a Black Man" has been arranged for Friday, April 23, at the St. Paul Church. Everyone is invited to be present.

Miss Beal wishes to thank her many friends for the service rendered in trying to protect her race and sex.

WILLIAM PICKENS NOTED LECTURER TO SPEAK HERE

Will Appear Under The Auspices of The Y. M. C. A. And The Y. W. C. A.

William Pickens, the noted lecturer and scholar, has been secured for a lecture under the auspices of the Young Men's and Young Women's Christian Associations. Mr. Pickens, during his career at Yale, made a name for himself by winning the most coveted Ten Eyck prize for oratory, which is the highest prize given at Yale, and by being elected to the Phi Beta Kappa Society. Since leaving college, Mr. Pickens has sustained the reputation which he made in Yale, for as an orator and scholar, he is ranked among the first in the race. Only recently Mr. Pickens was called to New York City to speak before the New York Republican Club and to participate in the awarding of the Spingarn Medal of the N. A. A. C. P. All the educational and religious forces in the city will probably unite to do honor to Mr. Pickens for his valiant service as a defender of the race.

Mr. Pickens will be on his way from Widet University where he is Professor of Greek and Latin, to Baltimore to attend the conference of Corrections and Charities, before whom he has been invited to speak. The Young Men's and Young Women's Associations are urging their best to have a full house to hear Mr. Pickens on that night. The place of this lecture will be announced later.

Y. W. C. A. Buys New Home

Phyllis Wheatly Branch Y. W. C. A. has purchased for their future home the property, buildings and ground located between the 14th and 15th Aves. These buildings were formerly occupied by the Central Branch Y. W. C. A. before they moved to their present location at 14th and Locust, but since that time they have been used by an automobile concern.

The buildings in their present condition are untenable, and much repair work is to be done before they can be occupied.

The money with which to purchase this property was donated by a white friend, whose name is withheld.

The Branch is a group of colored people of this city to help them repair the buildings so they can take immediate possession.

Y. W. C. A. NOTES

Our members have doubtless read of the purchase of the property at the corner of Garrison and Lucas Aves. This property was given by a white friend. We are urging our own people to contribute to it. The two thousand dollars necessary for the improvement of this property.

The story entitled, "The Lost Child," by Emily Smith, was beautifully told at a recent meeting by Miss Bertha P. Williams, chairman of our Girls' Department.

After a most interesting meeting, a jolly set of girls entered into "Candy Pulling Contest." Many cheers went to the lucky little hostesses, Misses Anna Haskell and Marie Parr.

Miss Mayfield Fossett began work last Saturday with a promising group of girls in Kirkwood.

Our work is rapidly reaching out through the whole community.

Y. M. C. A. NOTES

Mr. Frank L. Williams will be the speaker at the last of the Men's Meetings Sunday afternoon at Douglas Hall. The subject will be "The Fulfillment of the Christian's Duty." The meeting will be held at 3:30 o'clock.

On last Sunday, Mr. Albert E. Buss, the manager of the mechanical department of the Christian Science Publication, gave an interesting and inspiring program at the Men's Meeting before a large group of men.

The Young Men's and the Young Men's Christian Associations take pleasure in announcing the coming of William Pickens for a lecture early in May.

Mr. Pickens is one of the strongest orators in the race. During the last year he was invited to speak before the New York Republican Club of New York City. The lecture will take place on May 7th at the Church.

REMOVAL OF DR. S. F. PHILLIPS

After April 1st, Dr. S. F. Phillips, the noted lecturer, will be located at Compton and Lawton, above the Lawton Pharmacy. His new quarters he hopes to be more convenient to his patrons, and will be prepared to do honest and efficient work.

Miss Jeannette Mack has arranged a program that, besides the special numbers, will include the old dances: two steps, waltzes, plain military dances, one step and later dances such as Maxine, Polka Brezienne, La-La-Fado, fox trot, Furina Dip, La Ruste, etc. All dances will be led by competent dancers so that anyone who can dance the old, and is not acquainted with the new, can get along all right by following the leader. The event is to be informal, not full dress. You can dress as you please.

Dr. J. A. Simpson, formerly No. 24 N. Jefferson, has moved his office to 100 N. Jefferson over Harris' Drug Store, where he will be pleased to serve his patients. He can be reached over Harris' telephones.

John C. Childers has moved to 1807 W. Newstead. He desires his many friends to call and see him.

Mrs. Richard C. Shane, of St. Paul, Minn., is here visiting her sister, Mrs. Lottie Smith, of 4047 Fairfax.

Madam—My friends, and myself, think there is no other course like this one. We like it better and better. I can't help but smile whenever I come to the Oxford Pressing Oil. My friends are always glad to hear of me making a new order; it is doing a wonderful work on some heads I deal with.

Your agent,
Miss Estelle Young,
Ethelville, Ala.

I am compelled to say the Oxford hair preparations are among the best on the market, as you would certainly have heard from me in case your course of treating the scalp had not pleased or helped me. I think it no more than fair, to let you know that the opposite is the case.

Now, when I say that I am pleased with all that came to me from you, I am speaking the sentiments of my friends, for those that have received treatment assist me greatly in advertising my work.

Now that I am out again I am determined to do all I can for the work.

Your truly
Miss Mayme Smith,
Moss Point, Miss.

TESTIMONIALS

Dear Madam:

I have a friend by the name of Mrs. Sarah Miller, and have been personally friendly to her for over three years, and during the time she wore a wig. I have been treating her hair for about two months, and now she has taken the wig off, and uses her own hair except a small piece in the back. This treatment is wonderful! I must say. Another lady by the name of Mrs. Emma Tux, when I first saw the lady I was afraid to touch her hair. I thought I would burn the scalp, her hair was so short, and if you had seen her before I began to use her scalp you would not believe it was the same head; it was the worst one I have met with. I will mention some more next time.

Your agent,
Mrs. Muriel Hall,
Tampa, Fla.

Dear Madam: Yes, Nineteen Fourteen, in the month of August, I was visiting my friend, Mrs. Emma B. Willis; she and I were looking over the Voice of the People, a newspaper, and found Major's advertised hair grower, and we both decided to work for the Oxford College. I have tried everything for my hair and nothing did it any good, until I began using Major's Hair Oil, and feel proud of my hair today, and feel more than able to speak for it anywhere and any time. I can truly say it is the real thing and does the work.

And I will say to all ladies, let us work hard, and use W. L. Major's face creams, hair oils and powder, and look good.

Your agent,
Mrs. Annie Johnson,
New Bedford, Ala.

Sir: Your Oxford Complexion Cream is among the best I have ever used, it shall always be on my dressing table, and you may be sure that your numerous by many friends and acquaintances.

Yours truly,
C. E. Postwick,
Murphyboro, Ill.

Sir: I have seven patrons who are taking the full course of treatments; they are perfectly satisfied with the treatments. Says your representation of different articles just as represented. I have a gentleman patient, who has ring-worms in face, I have been treating him two weeks and have taken all out of face excepting one. I feel that I am in a growing and prosperous business. Your chemicals are wonderful, and I am more anxious to go on and do everything for the future success of your business and my growth.

Yours very truly,
(Miss) Peoria Black,
Parsons, Kan.

Dear Sir:—I can say, truthfully, that I have seen a great many who have had treatments from others, first, but none to equal the Oxford treatments. Had I taken some other course of hair treatment as many of my friends wanted me to, and afterward seen the work of your course, I would have been very jealous. Your treatment does just what it says it will do, and to be without it I would miss the very pride of womanhood. So many of my friends are wonderfully surprised when they have seen my work, and say they mean to take the Oxford Course of Hair Culture. One or two ladies that are having treatments from other agents have already said they were going to take the Oxford treatment of me and buy some of the oils. It works like a charm.

Thanking you for what you have done for me, and looking to do something for you in the future.

I am, yours very truly,
Mrs. Annie Handy,
Quinton, Ala.

GIANTS HAVE BIG CROWD AT FIRST GAME

4,300 Persons See Charley Mull's Fast Team Defeat The Belleville Maroons

Giants Are Terrific Sluggers, Webster and Lyons Make Home Runs. Pitchers Work Well

According to official report, 4,300 persons passed through the turnstiles at Kuebler's Park last Sunday to witness the opening of the Giants' baseball season. The Giants proved themselves terrific sluggers. The Belleville boys were no match for Mull's fast team and when the game was over had been humiliated to the tune of 14 to 3. Music and flowers featured in the celebration. The attitudes were in-uniform, and everything savored of major league doling. Williams, who pitched the first four innings for the Giants did not allow a hit. Johnson allowed three hits in four innings, permitting the Maroons to gather their three runs. Clyson pitched the last inning and did not allow a hit. Webster and Lyons made home runs, Webster getting two. Dr. C. H. Phillips, Jr., uncorked a wild throw in pitching the first ball of the season. Robert L. Jones, retiring umpire, officiated with Hesly in the first ball inning. He was succeeded by Matijevic, the new umpire, who made good. Captain Dick Wallace was presented with a bouquet of flowers. The crowd was in holiday attire and overflowed into the field. The Giants' schedule is made up until well into the summer and will include all the strongest white and colored teams in the field. Next Sunday at 3 p. m. the Field-Lippmans will be their opponents. A hard game is expected. The following is the score of last Sunday's game:

R. H. E.
Maroons 0 0 0 0 1 0 0 3 3
Giants 3 0 0 4 1 0 0 3 14 15 3
Batteries—Hodge; Eastell and Waite; Williams, Johnson, Clyson and Webster. Umpires—Hesly and Matijevic.

AT THE COMET

21st and Market

Saturday night, April 24, we will show the first drama in a series of 12 on vital questions of life, "The Price of Fame" being the first title.

The Movie Theater is getting fated up for its summer run. Ten ceiling and wall fans have been installed, making the place cool, comfortable and well ventilated. Manager "Tommy" James is wide awake. He is continually improving the quality of his photo-plays, as well as caring for the comfort of his patrons. Saturday, this theater will show "Americana," a two-part thriller on the Mexican war. Sunday, "The Greater Barrier," an Indian picture, will be shown.

BIG STOCK COMPANY PASSES THROUGH ST. LOUIS

The Billy King Theater Stock Company, largest of its kind in the country, passed through here Wednesday en route to Kansas City from Baltimore. The company included several well-known performers who have appeared in the past at the Booker Washington Theatre. They were the guests of Mr. Turpin, at the first show Wednesday evening and left the city at 9 P. M. In the afternoon Mr. and Mrs. Frank DeLyons, Mr. and Mrs. Howard Kelly Meadows and Mr. King were guests at dinner of Mr. and Mrs. Herbert T. Meadows. Alhadin and his wonderful lamp could learn a few things if they were to pay a visit to 2130 Market St. where formerly existed the People's Alhadin. The place has undergone such a remarkable change under the direction of the new owner, Mr. W. H. King, former editor of the Central Afro-American, that hardly a passer-by fails to pause long enough to comment upon the transformation.

What formerly was an exit, has been remodeled and made into a beautiful entrance with a wide and roomy lobby; the ground on the inside, has been carefully graded, packed and rolled and a person sitting in any part of the amphitheater, will be able to see the moving picture screen without an obstructed view.

New benches have been installed and the lighting system promises to rival many of the swell west end places which cost thousands of dollars to construct.

Mr. King has had a large force of skilled workmen busy for the past ten days getting things in shape for the opening; the superintendent, Mr. T. W. Jenkinson, has worked a marvelous change on the interior, all with an eye single to the comfort of the patrons.

Arrangements have been completed for a first run picture service and those who visit The Garden (as the place is now called) will have an opportunity to view pictures that have never been shown on the screen in this city before. The opening will be Sunday, April 24.

ATHLETICS AND AMUSEMENTS

By H. T. M.

ANOTHER GOOD SHOW AT THE BOOKER WASHINGTON THIS WEEK

Another high class show is being offered the Booker Washington patrons this week.

Davis and Davis have a witty line of talk with funny and catchy jokes. Sing and dance well and go strong. Mahama, a most wonderful artist in mental telepathy, does many mysterious things. He does his work heavily blind-folded. Shoots at a target and hits the "bull's eye," finds articles he throws in the audience; describes people he touches and slaps; permitting a number of spectators to write questions on slips of paper, burns the papers and then answers the questions after calling the name of the writer. He should be seen.

Braxton and Nugent, a male team have a comical set of eccentric dancing and up-to-date songs and jokes. They are making a hit this week. Turpin's Artists, in "Patty Bolliver's School Days," are the one big scream, as usual. Tim Moore, as Fatsy; Bowman, as the teacher; Mrs. Moore; Miss Burnett; Harbome Jones and others as scholars; all play their parts well and keep up a riot from beginning to end. Two song numbers are included.

THE VEILED PROPHET
BORN WITH A DOUBLE VEIL.
Standing charges \$2.00 for his equal. CONCERNING BUSINESS AFFAIRS.
He gives dates, facts and figures, reliable and important advice and information on all matters of interest in business, transacting, law suits, contested wills, life insurance, damage suits, divorces, debts, mortgages, claims, collections, speculation, advances, stocks and all financial difficulties. Truly predicts the success or failure of new inventions, patents, pending pension claims, etc. He is not a fortune teller, but a man who will receive fair dealing with partners. If you desire to know what business you shall follow to be successful, where you shall go and when to avoid it, if you intend to make any changes or start a business, buy or sell property, or in fact, take any important step, don't fail to consult W. L. Gladstone. His advice may be the means of saving you thousands of dollars and a great deal of trouble.

LOVE, COURTSHIP AND MARRIAGE.
If history of the heart or emotions of love interest you, he gives the exact and truthful revelations of all love affairs, whether lovers quarrel, whether you are in the arms and affection of anyone, whether you are ready and anxious to marry; tells if the one you love is true; also date of marriage; restores lost affection, peace and confidence to lovers and disconcerts flatterers; gives you the full story of the conduct, habits and charm the one you love; and also those you meet, and how to make a partner of a desirable kind of you. See Lady Attendant. Weak Mediums Beware.

NOTE—Those calling for pastimes, parties and festive persons are only waste time calling on Prof. Gladstone. Strangely fascinating are the words that come from the cultured lips of this most interesting man whose journey of life has already taken him through the renowned public schools of Egypt, India and Europe. It means, indeed, as if his knowledge must come from that vast and mysterious world of which we all would know, and which we cannot know. His knowledge is the dim mysterious future—the great beyond—across the dark chasm which separates the human body from the sitting soul—and that which is to be told. The separated are brought to life.
